

Thank you for visiting the eValuation ZONE website and reviewing our privacy policy. Please read this privacy policy before using the website or submitting any personal information.

eValuation ZONE, Inc is committed to protecting the privacy of users of the eValuation ZONE site. At eValuation ZONE, we intend to give you as much control as possible over your personal and confidential information. As part of the normal operation of the eValuation ZONE site, we collect information from you. This Privacy Statement describes the information we collect about you and how that information may be used.

Information Gathered through the eValuation ZONE website

eValuation ZONE may track the domains from which people visit the eValuation ZONE site in order to gain aggregate data that may be analyzed for trends and statistics. Subject to the provisions of this Privacy Statement, eValuation ZONE may use accumulated aggregate data for several purposes including, but not limited to, marketing analysis, evaluation of eValuation ZONE's services, and business planning. Currently, eValuation ZONE uses personal information as a basis for notifications to users, and in order to implement the Terms and Conditions of Use governing the eValuation ZONE site (the "Terms").

Notification: In order to implement or enforce the Terms, eValuation ZONE may use user-provided e-mail addresses to contact users on an individual basis. At no time, unless such disclosure is required by law, a governmental agency, or specifically authorized by the user, will eValuation ZONE disclose individual user personal information to unrelated third parties that is not publicly available.

Links with Other Sites

The eValuation ZONE site contains links to other websites, whether owned or controlled by eValuation ZONE affiliates or unrelated third parties. Please note that the privacy policies of these sites may differ from those of the eValuation ZONE site. eValuation ZONE is not responsible for the privacy policies and practices of any linked websites. We encourage you to read the privacy statement of any website you may visit.

Security

To secure site integrity, eValuation ZONE employs measures, including but not limited to security audits, use of encryption tools and software, and other reasonable security measures and procedures. Internal access to users' private and nonpublic personal information is restricted to site administrators and individuals on a need-to-know basis.

Enforcement

In the event that eValuation ZONE becomes aware that site security is compromised or nonpublic user information has been disclosed to unrelated third parties as a result of external activity, including but not limited to external security attacks, eValuation ZONE shall take reasonable measures which it deems appropriate, including but not limited to internal investigation and reporting, and notification to and cooperation with law enforcement authorities, notwithstanding other provisions of this Privacy Statement.

If eValuation ZONE becomes aware that a user's personal information provided to eValuation ZONE has been disclosed in a manner not in accordance with this Privacy Statement, eValuation ZONE shall make reasonable efforts to notify the affected user, as soon as reasonably possible and as permitted by law, of what information has been disclosed, to the extent that eValuation ZONE knows this information.
